# Celebrating 280 Years

This year marks the 280th anniversary of South Wilford Primary School. The school was originally established by the local Parish Priest, Benjamin Carter, back in 1736, who wanted to help all the children in his parish receive an education. Founded on the basis of faith, the school provides excellent standards of attainment, offering a broad curriculum to all pupils, while striving to be inclusive in every aspect of its work.

## Calling all former pupils and ex-staff!

**To mark this glorious milestone South Wilford PTA is trying to contact former pupils and ex-staff from the Wilford community and the far flung reaches beyond. So please do not hesitate to pass this message on.**

**Please contact us via email, at the address below, with the Subject of 'Alumni'.**

The South Wilford PTA is a group of parents / carers and teachers who volunteer their time to devise and organise fundraising events for the school. The money raised through these activities benefits all the children at the school, and goes directly towards extra-curricular activities, outings and additional items needed by the school.
